Library Chronicles

March 2023

Message from the CEO:

If you are a big eBooks and eAudioBooks fan, you should know that we are moving from Overdrive and the Libby app to cloudLibrary in April. There will be lots of 'how-to' information available in our branches and online. Our eResources are purchased through a consortium of public libraries in Simcoe County. The decision to move to cloudLibrary was based on content, pricing, and user experience. Stay tuned for more information about this important access to eBooks and eAudioBooks. And if you haven't tried PressReader for access to your favourite newspapers and magazines from Canada and around the world, just ask staff how!
