Library Chronicles

April 2023

Message from the CEO:

As of April 3rd, we will have moved from Overdrive to cloudLibrary for eBook and eAudioBook circulation. Staff have taken training on this new, and better, platform and our website will have instructions available for you. Staff are collecting data for the Board's review of branch open hours this Fall. We will be posting a survey (also available in-branch) asking for user input about open hours and services in June. Please think about how you use your local branch, and what adjustments would make it easier for you to access our collections and services.
